

Peptide Therapeutics Forum 2024

August 22-23, 2024, Biozentrum Basel

Peptide Therapeutics Forum 2024

The Peptide Therapeutics Forum 2024 takes place on August 22-23 in Basel. The forum provides an innovative platform to exchange on the various aspects of drug development with a focus on peptides.

Similar to previous events in the framework of Basel Life, presentations highlight important new insights regarding the drug discovery of peptides including examples for successful development candidates. The forum disseminates information on latest news in the broad field of therapeutic peptides and enables networking of interested parties from academia and industries.
